Subject: Tribes' Response to Hopi Arsenic Mitigation Project (HAMP)

Good afternoon Captain Rea,
Please find enclosed Chairman's response to your letter received at our Office February 8, 2013. This letter was discussed by members of the Water Energy Team as the response speaks for the Tribal Counsel. I have copied Special Counsel Bill Bettenberg for any questions or clarification you may have. Thank you.
Best regards,
Susan
Legal Assistant
General Counsel – Hopi Tribe.
